

PET CT PSMA Prostate and Dotatate Carcinoid Preparation Form

NO PATIENT PREPARATIONS NEEDED:

- No need for NPO or glucose checks.
- No restrictions on movement.

SOME HELPFUL TIPS:

- Drink 20 ounces of water prior to your arrival, if possible.
- Allow 2 hours for your appointment.
- Chest ports can be accessed in the infusion room prior to your scan. Please notify the scheduler if you wish to have your port used.

ANXIETY MEDICATIONS:

- These medications must be ordered by your physician prior to your appointment.

MOBILITY ISSUES:

- If you need a Hoyer lift to transfer to the table, please let the scheduler know.

CANCELLATIONS OR RUNNING LATE:

- We order your medicine the day before your exam, so please call 24 hours prior to your appointment for us to cancel your dose.
- The dose you are receiving is time sensitive; please call if you are running late.

For questions or scheduling needs, call the PET/CT Department at (509) 228-1715
