LODGING PROGRAM FOR PATIENTS

We understand that cancer treatment is not convenient, especially if you're visiting from out of town. Our lodging program is here to help you find a place to call home during your therapy.

Our program is led by our patient navigators, Beth Clanin (MSW) and Amanda Zahara (BSW). The patient navigators are here to assist you through treatment, answering questions and addressing issues or concerns. Our patient navigators work

closely with our doctors and support staff to help you manage resources and remove any financial, social, emotional or medical barriers.

For more information, please contact;
Beth Clanin at **509-228-1819** / beth.clanin@ccnw.net
or Amanda Zahara at **509-228-1818** /
amanda.zahara@ccnw.net.

CCNW and the American Cancer Society

The American Cancer Society, in a cooperative effort with hotels across the country, provides overnight accommodations to cancer patients who must travel for outpatient treatment and need assistance with lodging. CCNW works closely with ACS to ensure our patients receive the best lodging possible.

All accommodations are provided based on eligibility requirements and are subject to availability and to restrictions imposed by the participating hotels. Requests for lodging are met on a first-come, first-served basis.

For more information or to request hotel lodging, please contact the American Cancer Society at 1-800-227-2345 or one of your Cancer Care Northwest Patient Navigators.

CCNW and Faye's House

Nestled in the foothills of Spokane, Faye's House is a local venue offering full accommodations for cancer patients including laundry facilities, bedding, a fully stocked kitchen for meal preparation, a common room with TV with comfy seating and more. The house is available to three guests at a time.

For more information about Faye's House visit becausethereishope.org/fayes-house or call 509-939-9672. You can also get answers to your questions by contacting one of your Cancer Care Northwest Patient Navigators at 509-228-1818 or 509-228-1819.
